Subject of the Disclosure

Introduction of Condura Vax Safe Vaccine Storage Product

Background/Description of the Disclosure

Concepcion Industrial Corporation's wholly owned subsidiary Concepcion Durables, Inc. (Condura) takes an active role in helping and providing solutions for the COVID-19 initiatives in the Philippines.

As a Filipino company and the leading manufacturer of refrigerators and freezers in the country, Condura has designed and built a new product as its testament to the commitment to provide solutions for the Filipino community, especially in times of crises and uncertainties. Condura has designed the Condura Vax Safe – a medical refrigerator/freezer that can store and preserve a range of COVID-19 vaccines at their required temperature and in optimal conditions. Affordable and accessible to all, this new product will help in the efficient distribution of vaccines across the country. Vax Safe is proudly Philippine-made, manufactured in the Condura plant located in Cabuyao, Laguna.
